## Caring

### You Are TRRFCC!

So far we have learned a lot about Character. We are half way to being completely **TRRFCC** (Terrific)! Here is a reminder of what we have covered so far:

**Character** – Doing what is right even if no one is looking.

**Trustworthy** – “True Blue”  
Being reliable, having courage, being a good friend and being honest.

**Respect** – “Golden Rule”  
Treating others the way that you want to be treated.

**Responsibility** – Taking care of something. Think before you act or talk. Do your best. Fix your mistakes and messes. Be a good role model.

**Fairness**- Think of dividing an orange into equal sections to share fairly with friends.

### How to be Caring

When caring for others think about using your big red heart. Can you think of people in your life that you care about? How do you show these special people that you care?

When showing you care it is important to:

- Be nice to others
- Think about others, be generous, and have a forgiving spirit.

## Caring Do's

- Show you care through being kind, generous and tender hearted.
- Remember the Golden Rule; treat others like you want to be treated.
- Do things for and help others.
- Say nice things to other people
